

iPad Apps

Submitted by Bryan Schullian and used in cooperation with the University of Illinois at Urbana-Champaign.

The materials that appear in this document may be freely reproduced for educational/training activities. There is no requirement to obtain special permission for such uses. We do, however, ask that the following statement appear on all reproductions:

iPAD APPS, by BRYAN SCHULLIAN

Materials produced for classroom use in conjunction with permission from the University of Illinois Agricultural Education Program.

This permission statement is limited to the reproduction of material for educational/training events. Systematic or large-scale reproduction or distribution (more than one hundred copies per year)—or inclusion of items in publications for sale—may be done only with prior written permission. Also, reproduction on computer disk or by any other electronic means requires prior written permission. Contact the University of Illinois Agricultural Education Program to obtain special permission.

The University of Illinois and its affiliated entities, in addition to the individual submitting the materials, assumes no liability to original work or activities therein.

1. "Market Dash" – free – use this for ag business students to check their markets.
2. "Flashcardlet" – free – Could have several uses. Has a ton of pre-made cards that you could find a use for. Otherwise you can make your flashcards.
3. "Splashtop" – costs \$4.99 - can take over your desktop computer with your iPad – so walk around the classroom still controlling your computer.
4. "Splashtop Whiteboard" – costs \$19.99 – includes the "Splashtop" app already, but turns the desktop into an interactive white board.
5. "HSW HD" – free – How Stuff Works.com's app
6. "AirSketch" – free – app that allows you to show PDF's from your iPad to the computer or projector and use it as a white board.
7. "Today's Doc" – National Archives app – free – a history resource for your classroom.
8. CEV has a Floral ID and a Wildlife ID
9. "Leafsnap" – free – a forestry identification app
